EPA spills 1 million gallons mine waste, turns river in Colorado orange

By Garry Taylor

The EPA was investigating the abandoned Gold King Mine on Wednesday together with the state Division of Reclamation, Mining and Safety, when they...

Anthony Onuchukwu

It's a sad development. As usual, another lapses for lack of...

Kathy Thrun

While I am not positive; I believe that the mining industry gets...

World Bank: clean energy is the solution to poverty, not coal

Mr. Ejike C.Nwankwo in Environmental Impact Assessment

The world's poorest populations need a low-carbon revolution to meet their needs and lift them out of poverty It is the development conundrum of our era. Extremely poor people cannot lift themselves...
